

Hello

Luther Vandross

I've been alone with you inside my mind
And in my dreams I've kissed your lips a thousand times
I sometimes see you pass outside my doorHello, is it me you're looking for?
I can see it in your eyes
I can see it in your smileYou're all I've ever wanted, my arms are open wide
'Cause you know just what to say
And you know just what to do
And I want to tell you so muchI love youI long to see the sunlight in your hair
And tell you time and time again how much I care
Sometimes I feel my heart will overflow
Hello, ooh, I've just got to let you know'Cause I wonder where you are
And I wonder what you do
Are you somewhere feeling lonely
Or is someone loving you?Tell me how to win your heart
For I haven't got a clue
But let me start by saying
(Oh)I love youHello, is it me you're looking for?
'Cause I wonder where you are
And I wonder what you do
Are you somewhere feeling lonely
Or is someone loving you?Tell me how to win your heart
I don't even have a clue
But let me start by sayingOoh, I love you
Love, love
