

# Costume Party

## Two Door Cinema Club

You're too young, you're never gonna know why it hit me  
When I felt on in silence  
No-one thinks what I'm doing is the right way forward  
You'll see it's not just a dream now

You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't know

You're too young, you're never gonna know why it hit me  
When I felt on in silence  
No-one thinks what I'm doing is the right way forward  
You'll see it's not just a dream now

You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't

Know oh oh oh  
Know oh oh oh  
Know oh oh oh  
Know oh oh oh

It's what you get when you try to educate a black sheep  
You can't, you won't, you never will  
I'm gonna show you what it takes to see the future  
It's hard but not impossible

You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't know  
You think you know, you don't

Know oh oh oh  
Know oh oh oh  
Know oh oh oh  
Know oh oh oh

You think you know oh oh oh

Know oh oh oh

Know oh oh oh

Know oh

Oh oh, oh oh

Oh oh, oh oh

And I believe this costume party is over

Before it gets started

And I believe this costume party is over

And I believe this costume party is over

Before it gets started

And I believe this costume party is over, over, over
