All Your Love Is Gone (Michael Rother Remix)

Boxed In

Should I've been a ghost
It would suited?
Filling in the gaps
To keep it out of me
You're the one that we fear most
You do it all the time
But it's building up inside
And now there's something Walking over you
All over you
Living monochrome
And all you do is bad, to love
Waiting by the side of those
Rusty railroad tracks
That take you to a place
A place you've never been before, before
Never coming back
Never looking back
Anymore
Now all your love is gone
All your love is gone
Cuz all your love is gone
All your love is gone
Now I see
And now it's clear
That you're just like me
That you're just like me
Cuz all my love is gone
All my love is gone
Cuz all my love is gone
And all my love is gone
Gone
