

Out From the Deep (Radio Edit)

Enigma

We came out from the deep
To learn to love, to learn how to live
We came out from the deep
To avoid the mistakes we made That's why we are here
That's why we are here
That's why we are here We came out from the deep
To help and understand but not to kill
It takes many lives till we succeed
To clear the debts of many hundred years That's why we are here
That's why we are here
That's why we are here
That's why we are here
And that's why we are here
