

20 Feet Tall

Erykah Badu

My love, what did I do
To make you fall
So far from me? And now, I can't recall
Because of the fall
Selective memory Then you, you built a wall
A 20 foot wall
So I couldn't see But if I get off my knees
I might recall
I'm 20 feet tall Ooh, eh
I'm 20 feet tall
Mmm, yeah, ooh, yeah
I'm 20 feet tall My love, what did I do
To make you fall
So far from me? And now, I can't recall
Because of the fall
Selective memory Then you, you built a wall
A 20 foot wall
So I couldn't see But if I get off my knees
I might recall
I'm 20 feet tall Ehh, eh, ooh, yeah
I'm 20 feet tall
Ehh, yeah, ooh, ahh
I'm 20 feet tall Ah, yeah, ooh, hey
I'm 20 feet tall
Ehh, eh, yeah, yeah eh
I'm 20 feet tall
Mmm, mmm
