## Miss Li

I'm a little girl yeahj  
Trying to survive  
In a psycho world

I was a spoiled child  
And I am fighting every bloody day  
To change my ego mind

And I am evil  
But I pay my friends to say  
I'm loving, caring and so kind

And I've got a big mouth  
And a heart full of shit  
But I don
