

# Shadows of the Night

[Ashley Tisdale](#)

We're running with the shadows of the night  
So, baby, take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end You said, oh, girl, it's a cold world  
When you keep it all to yourself  
I said, you can't hide on the inside  
All the pain you've ever felt Ransom my heart, baby, don't look back  
'Cause we got nobody else We're running with the shadows of the night  
So, baby, take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end You know that sometimes it feels like  
It's all moving way too fast  
Use every alibi and words you deny  
That love ain't meant to last You can cry tough, baby, it's all right  
You can let me down easy, but not tonight We're running with the shadows of the night  
So, baby, take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end We're running with the shadows of the night  
So, baby, take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end And now the hands of time are standin' still  
Midnight angel, won't you say you will We're running with the shadows of the night  
So, baby, take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end We're running with the shadows of the night  
So, baby, take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end We're running with the shadows of the night  
So, baby, take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end We're running with the shadows of the night  
So, baby, take my hand, it'll be all right
