

Tides (Dixon Remix)

The xx

You leave with the tide
And I can't stop you leaving
I can see it in your eyes
Some things that lost their meaning Devote to me
Alone with me
Say with me
"Why would you ever want to leave?" You leave with the tide
And I can't stop you leaving
I can see it in your eyes
Some things that lost their meaning Fade out of view
I wouldn't do that to you
I wouldn't just leave us alone
When we could be close, close, close Hold me close when you could leave us alone
Why would you just leave us alone
When we have been close, close You leave with the tide
And I can't stop you leaving
I can see it in your eyes
Some things that lost their meaning You leave with the tide
And I can't stop you leaving
I can see it in your eyes
Some things that lost their meaning
