Black Cat

Broadcast

Sapphire her burning eyes
Model euphonic paradigms
Awkwardness happening to someone you love
Awkwardness happening to someone you loveThe black cat, the black cat
Curiouser and curiouser
The black cat, the black cat
Curiouser and curiouserShadowing masonic verve
Follows the pharaoh and the worm
Awkwardness happening to someone you love
Awkwardness happening to someone you loveThe black cat, the black cat
Curiouser and curiouser
The black cat, the black cat
Curiouser and curiouserMirror mirror on the wall
Into the purring night you call
Awkwardness happening to someone you love
Awkwardness happening to someone you loveThe black cat, the black cat
Curiouser and curiouser
The black cat, the black cat
Curiouser and curiouserAwkwardness happening
Awkwardness happening
