Someday

Evergrey

I was once like you
Used to be like you
Embrace the same horizons
And shared the setting sunsI was once like you
But the surroundings are different
Now the darkness is different
I used to be like youBut if I can't erase you
If I can't face this alone
I might be there one daySomeday, someday
With arms wide open
Someday, someday
With arms wide open
The universe is now a darkened room
And even still nothing's starlit
I'm here alone, all is this void
It's devastating
I feel like I have lost my armor
I feel like I have lost my armorSomeday, someday
With arms wide open
Someday, someday
With arms wide openWith my arms wide openMy arms wide openSo I can't just erase you
Can't do this alone
I'll be there that day
Someday, someday
With my arms wide open
Someday, someday
With my arms wide openSomeday, somedaySomeday, someday
