Halfway There

Daryl Hall & John Oates

Girl we've come together
And then we've felt the sadness
That comes when it's thru
Do we walk our own way in a world turned blue
Oh it's true that I can't see rhyme or reason
And when feeling's out of season
What can I do
Except try to walk away with you[Chorus]
You and I are halfway there
On some road to somewhere
Can I be the one
You and I are halfway there
Can't we go all the wayWe were born in the brave new world
Taught to be modern little boys and girls
Then they tried to take our imagination away
When the guns are firing somewhere
And there's evil in the air
What can be do
Except try to say what's true
You know what's true?
This is true girl[Chorus]
