New Kid

Ex Hex

Here comes Johnny, heâ€™s your answer man
Says he can read you like the back of his hand
Says he can make you understand
Watch out, heâ€™ll be your best friend
Saw him in the woods skipping school
Talking trash and being rude
Smoking up, getting bent
Watch out, here he comes again

Youâ€™re the new kid in town
Everybody tryinâ€™ to knock you down
They thought it hurt when they did it to me
I just laughed and I turned the other cheek
Just trying to get your kicks
And no one understands
Youâ€™re a warrior, a warrior, a warrior
Youâ€™re a warrior, a warrior, a warrior

That mean girl, sheâ€™s got nothing to do
She tried to mess around with you
Tell her that it wonâ€™t be long
Play around and youâ€™ll be conned
Some say itâ€™s out of hate, some say itâ€™s out of love
Some say itâ€™s out of nothing, and some say that itâ€™s just because â€“

Youâ€™re the new kid in town
Everybody tryinâ€™ to knock you down
They were headed in the wrong direction
When they were messing with your affection
Just trying to get your kicks
And no one understands
Youâ€™re a warrior, a warrior, a warrior
Youâ€™re a warrior

Youâ€™re the new kid in town
Everybody tryinâ€™ to knock you down
They thought it hurt when they did it to me
I just laughed and I turned the other cheek
Just trying to get your kicks
And no one understands

Youâ€™re a warrior, a warrior, a warrior
Youâ€™re a warrior, a warrior, a warrior
Youâ€™re the new kid, and youâ€™re a warrior
