Over It

Halo Friendlies

i know what you're thinking
i know where you're going
and i know what you're doing now
i know all the things that
oh yeah you used to tell me
i know you're telling her right now
and all the times you held my hand
i'm so over it
and i'm so over it
and i'm so over younow it's over (so over, so over)
yeah now that it's over (so over, so over)
yeah now that it's over (so over, so over)
yeah now that it's overi know what you're thinking
i know just what you think of me
and i know you think of someone else
i know all the reasons
you think i can't get over it
well maybe you only fool yourself
and all the times i held my breath
i'm so over it
and i'm so over it
and i'm so over youand all the times you held my hand
i'm so over it
and all the times you told me that
you like the way i laugh
and all the things we used to do
i'm so over it
and i'm so over it
i'm so over you
