Stay.

Hurts

My whole life waiting for the right time
And to tell you how I feel
I know I try to tell you that I need you
And here I am without you
I feel so lost but what can I do?'Cause I know this love seems real
But I don't know how to feelWe say goodbye in the pouring rain
And I break down as you walk away
Stay, stay'Cause all my life, I felt this way
But I could never find the words to say
Stay, stayAlright, everything is alright
Since you came along
And before you, I had nowhere to run to
And nothing to hold on to
I came so close to giving it upAnd I wonder if you know
How it feels to let you go?You say goodbye in the pouring rain
And I break down as you walk away
Stay, stay'Cause all my life I felt this way
But I could never find the words to say
Stay, staySo you change your mind
And say you're mine
Don't leave tonight, staySay goodbye in the pouring rain
And I break down as you walk away
Stay, stay'Cause all my life I felt this way
But I could never find the words to say
Stay, staStay with me, stay with me
Stay with me, stay with me
Stay, stay, stay, stay with me
