

Tell Him (Re-Recorded / Remastered)

The Exciters

I know something about love. You've gotta want it bad
If that guy's got into your blood, go out and get him
If you want him to be the very part of you
That makes you want to breathe, here's the thing to do...(Reff:)
Tell him that you're never gonna leave him
Tell him that you're always gonna love him
Tell him, tell him, tell him, tell him right now I know something about love. You gotta show it and make him
See the moon up above. Reach out and get it
If you want him to be always by your side
And if you want him to only think of you...(Repeat Reff) Ever since the world began it's been that way
For man and woman were created to make love their destiny
Then why should true love be so complicated? Oh...I know something about love. You gotta take it and
Show him what the world is made of, one kiss will prove it
If you want him to be always by your side
Take his hand tonight and swallow your foolish pride and..(Repeat Reff)
