# Rage Of Angels

## Orange Goblin

I am the law, don't you understand? I represent the law.Well piss on ya, and piss on your law.The bigger the battle, the better the man
Bigger's the man with the gun in his hand
Hard is the hunt for the man with no name
The sun never sets on the last of the braveShootin' dice with the Lord of the Flies
Bowing your head the God you despise
Choosing to live for the freedom of sin
You're closing your eyes but you're spreading your wingsThe fire in your heart's like the fire of the gun
It's lost in the battle, now the war has begun
And I cannot resist the desire to burn
Like a child lost in Hell I've got so much to learnYeah, feel the rage of the outlaw messiah
Yeah, take a bullet to take you higherNot a drug that can stop me from breathing
Not a drink that I haven't had
Not a man will be left standing
I'm the king, a man born bad
