Child

Bad Veins

I'm holding my breath
I'm leaving believe it
To theres nothing left
I'm leaving believe itI can't stip wonder why you wont change
I can't stop wondering why you all change
I may have grown, but I stayed the same
And while your troubles are all running wild
For better or worse I am still a child
I'm charging through doors
I'm leaving believe it
Till there aren't anymore
I'm leaving believe itI can't stop wondering why you all change
I may have grown, but I stayed the same
And while your troubles are all running wild
For better or worse I am still a child
I can't stop wondering why you all change
I may have grown, but I stayed the same
And while your troubles are all running wild
For better or worse I am still a child
