French Montana

Explicit for ya
I'm listenin' explicit for ya
I'll say it if you need it darlin'
I hear you calling (Calling, calling, calling)Waiting, waiting
Why am I waiting
I keep that Q of sour for ya
Never seen it realer
Never seen it realer, dog
Keep that Q of sour for meSay it if you mean it, babe
You don't gotta lie to me
All I want is real shit
You can just vibe with me
Tell me that you need it if you
Need it, I can get it low
Know that I can't get enough
Believe it babyKeep the Q of sour for ya
I can paint the picture babe
You never had it so visual, visualExplicit for ya
I'm listenin' explicit for ya
I'll say it if you need it darlin'
I hear you callin'
With your eyes, with your eyesMontana
You ain't gotta lie to me
Shawty keep it real with me
Started from the ground with me
Now she on top of them hills with me
Blowin' cash, till this money up
Standin' on them couches while we like we on one, uh
Same niggas that front
Same niggas need a hundred
Same bitches that front
Same bitches that want it
Fuckboys we passin'
Cuban links we flashin'
Bright lights in action
Fly cars we crashin'
I keep hearin' them voices
Gotta make them choices
Gotta pick your poison

Black, white, Rolls-Royces, hah
Baby so explicit for ya
'Cause all that money can't buy you love, Montana You never had it so visual, visual
Explicit for ya
I'm listenin' explicit for ya
I'll say it if you need it darlin'
I hear you callin'
With your eyes, with your eyes Oh, yeah, you just got to show to me
I just want to know
'Cause you glowin' from a distance
Keep the Q of sour for ya
Let me paint the picture, ha
Oh, yeah, you just got to show to me
I just want to know
you're glowin' from a distance
I keep the Q of sour for ya
Let me paint the picture, uh
Baby, paint the picture
I keep that Q of sour for ya
Never seen it realer
You ain't never seen it realer, dog
