To Where You Are

Joe Mcelderry

Who can say for certain
Maybe you're still here
I feel you all around me
Your memory's so clear
Deep in the stillness
I can hear you speak
You're still an inspiration
Can it be (?)
That you are mine
Forever love
And you are watching over me from up above
Fly me up to where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for awhile to know you're there
A breath away's not far
To where you are
Are you gently sleeping
Here inside my dream
And instant faith believing

All power can't be seen
As my heart holds you
Just one beat away
I cherish all you gave me everyday
'cause you are mine
Forever love
Watching me from up above
And I believe
That angels breathe
And that love will live on and never leave
Fly me up
To where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for awhile
To know you're there

A breath away's not far
To where you are
A breath away's not far
To where you are
