

Made to Move (feat. Mimi Page)

Delerium

I feel it move through me
I feel it move through me Ride this rhythm
with me baby
Set your soul at ease
Let's communicate in
sonic frequencies
Free your mind of
all this negativity
We were made to move
and groove eternally
I feel it move through me
I feel it move through me Ride this rhythm
with me baby
Show the world you're free
Let's express the
art of true humanity
Free your mind of
all this negativity
We were made to move
and groove eternally
I feel it move through me
I feel it move through me
I feel it move through me
I feel it move through me
We were made to move
We were made to move
