Love Lounge

LIVE

Once upon a time in deja-vu land
I kissed you on the lips and sent you away
Then I fell into the hole inside my heart
Now you're back and everything is lovely
Our finest hour like eternity
But there's just one more thing I got to show you, babyThe leaves have fallen, it's the winter
The thaw of springtime is a long way off
I'll keep you happy in the meantime
Come to the love lounge
I'll be right along, yeah
Shoot that... fear!
Shoot that... fear!Through the smoke I see her comin' near me
Through the haze I see the hourglass
Hypnotized or mystified now I don't know
So be gentle with my tender soul, babe
Unless you wanna send me reelin' again
Hey maybe we should find a quiet place instead?
YeahThe leaves have fallen, it's the winter
The thaw of springtime is a long way off
I'll keep you happy in the meantime
Come to the love lounge
I'll be right along, yeahShoot that... fear!
Shoot that... fear!
The leaves have fallen, it's the winter
The thaw of springtime is a long way off
I'll keep you happy in the meantime
Come to the love lounge
I'll be right along, yeahShoot that... fear!
Shoot that... fear!
