Driving Me Wild

Z-ro

[Intro:]
Itâ€™s a Biggy Beat.

[Hook: Z-Ro]
Itâ€™s that pretty brown round, Driving Me Wild
Ooh bitch your pussy's 'about to get a little greezier
And the KY make penetratin' so much easier.

Itâ€™s that pretty brown round, Driving Me Wild
Ooh bitch your pussy's 'about to get a little greezier
And the KY make penetratin' so much easier
But I wish you wouldnâ€™t trust me so much.

[Verse 1: Z-Ro]
That donâ€™t mean Iâ€™m a cheat on ya
Iâ€™m a bend that ass over & beat on ya, Then Iâ€™m a skeet on ya
Damn right Iâ€™m a boss & you know that
But when I leave the pen, I canâ€™t wait until I go back
But if you defend baby, you smarter than a muthafucker
Gon' show me what you got up in your head baby
Hell naw I donâ€™t need no X, just a raincoat baby 'cause it 'about to get wet
Got you beggin' me to stop but I ainâ€™t finish yet
Guarantee this is a fuckinâ€™ youâ€™ll never forget
There's so many bitches I got to like one, so many cigarillos I got to lite one
You ainâ€™t even got to wonder if you doin' somethin' wrong 'cause it's all on "bitch"
You got the right one.

[Hook: Z-Ro]
Itâ€™s that pretty brown round, Driving Me Wild
Ooh bitch your pussy's 'about to get a little greezier
And the KY make penetratin' so much easier.

Itâ€™s that pretty brown round, Driving Me Wild
Ooh bitch your pussy's 'about to get a little greezier
And the KY make penetratin' so much easier
But I wish you wouldnâ€™t trust me so much.

[Verse 2: Z-Ro]
Uh 'cause Iâ€™m in love with all your friends
And I donâ€™t wanna do you like that baby but your homegirl givin' me a call again

Whenever she spend the night you let her walk around the house in her panties & bra again
When yâ€™all wanna sleep in the livin' room she up in the bedroom suckin' on my balls again
But I donâ€™t feel bad 'cause you ainâ€™t my girl, nothin' but a sex thing that's all it ever was
I knew you was a freak 'cause we fucked in the club, pussy got wet when you saw the swangers on dubs
A thug from around the way like Slim Thug, but I need pussy like a dope fiend need drugs
Mike Moe gotta paint we can pourâ€™ it on up lookin' for a few bitches that'll skeet on her.

[Hook: Z-Ro]
Itâ€™s that pretty brown round, Driving Me Wild
Ooh bitch your pussy's 'about to get a little greezier
And the KY make penetratin' so much easier.

Itâ€™s that pretty brown round, Driving Me Wild
Ooh bitch your pussy's 'about to get a little greezier
And the KY make penetratin' so much easier
But I wish you wouldnâ€™t trust me so much.

[Verse 3: Z-Ro]
Uh 'cause you already know Iâ€™m a dog & even though Iâ€™m house trained main
I just canâ€™t keep my 3rd leg in my draws
I try to do right but everytime it gets hard I break my chain & end up in my neighborâ€™s yard
Iâ€™m a Pitbull baby you a shih tzu
Iâ€™m a freak, you a freak ainâ€™t no tellin' what we get into
Iâ€™m tryin' to win & tryin' not to sin, high off weed & lots of gin
Go on spread eagle for me Iâ€™m a drop it in, Tryin' to knock the line & not the cock again
Iâ€™m a man who came up so donâ€™t be playin' with me, hop up in my B E D
Slow down Iâ€™m about to skeet yeah.

[Hook: Z-Ro]
Itâ€™s that pretty brown round, Driving Me Wild
Ooh bitch your pussy's 'about to get a little greezier
And the KY make penetratin' so much easier.

Itâ€™s that pretty brown round, Driving Me Wild

[Verse 4: Z-Ro]
Baby show me some ID, you fine as a muthaâ€™fucker but you might be 16
And I ainâ€™t tryin' to end up in the penitentiary
You gonâ€™ be screamin' Daddy take some of that dick up out of me
When you in the strip club, you work that pole
When you in the bedroom, you work that pole
I ainâ€™t choosy baby you could work me fast or you could work me slow
When I be up in the strip club I be tippin'

When my rap got the rat Big Hap think Iâ€™m trippin'
And Iâ€™m hood bitch & this just nothin' but good livin'
Your baby owes me & I ainâ€™t even pimpin'.

And the KY make penetratin' so much easier
But I wish you wouldnâ€™t trust me so much.
