

# All U Can Eat

**Ben Folds**

Son, look at all the people in this restaurant  
What do you think they weigh?  
And out the window into the parking lot  
At their SUV's taking all of this space They give no fuck  
They talk as loud as they want  
They give no fuck  
Just as long as there's enough for them Gonna get on the microphone down at Wal-Mart  
Talk about some shit that's been on my mind  
Talk about the state of this great nation of ours  
People look to your left, yeah, and look to your right They give no fuck  
They buy as much as they would want  
They give no fuck  
Just as long as there's enough for them Son, look at the people lining up for plastic  
Wouldn't you like to see 'em in the National Geographic  
Squatting bare assed in the dirt eating rice from a bowl  
With a towel on their head and maybe bone in their nose See that asshole with a 'Peace' sign on his license plate  
Giving me the finger and running me out of his lane  
God made us number one 'cause he loves us the best  
But he should go bless someone else for a while and give us a rest (They give no)  
Yeah, and everyone can see  
(They give no)  
We've eaten all that we can eat
