

# I Wanna Be

Kehlani

Tell me what I gotta do to make you fall in love  
Tell me what I gotta do to make you want this love  
Tell me what I gotta do to keep you coming my way  
Tell me what I gotta do, I'll come and pick you up Oh I would like (oh I would like)  
To get to know (to get to know)  
If this could be (if this could be)  
Be what we want (be what we want) Oh I would like (oh I would like)  
To get to know (to get to know)  
If I could have (if I could have)  
You for my own now I wanna be (I wanna be) the only girl that you ever need  
(I wanna be) I wanna be the only place that you wanna be  
(I wanna be) I want this to be for forever
