

Signs of Love Makin' Part II (feat. R. Kelly)

Tyrese

Pimpin', it ain't easy for me
Especially the way these chicks be checking for me
It's like all the time and it's like everywhere
And it's like into the club, honey's stop and stare, wait a minute
It's not my ego ya'll that's just the way it is
Showbiz like no biz, I love girls throughout my whole career
From suburb chicks to the cuties on the bus stop
Church girls all the way up to the movie stars
I'm not trippin' when it come down to the woman
Ryse is down with all signs, oh, let me tell ya'll something
These are the Zodiac signs that I wanna make love to
The Zodiac signs that I wanna get next to
See I ain't trippin' when it come down to these girls
We are the world, we are the world
These are the Zodiac signs that I wanna take shopping
The Zodiac signs that I wanna take club-hoppin'
See I ain't trippin' when it come down to these girls
We are the world, we are the world
Now, let's get a hotel room and have an after party
The show is over now it's time to freak somebody
So throw your hands up and represent your sign
Fella's I don't know about you but I'm about to make
One of these honeys mine
Ladies let me tell you all about the Capricorn
See when it comes to sex it's guaranteed some babies will be born
See I've got three of um from listening to the 12-play
Aquarius I tell you they can go from night till day
Kells I ain't trippin', Ryse loves um all kinds, yeah
They all mine, all dimes, all fine, yeah
These are the Zodiac signs that I wanna make love to
The Zodiac signs that I wanna get next to
See I ain't trippin' when it come down to these girls
We are the world, we are the world
These are the Zodiac signs that I wanna take shopping
The Zodiac signs that I wanna take club-hoppin'
See I ain't trippin' when it come down to these girls
We are the world, we are the world
Pisces, Aries, Taurus, Gemini
I see you in the club with your hands held real high
Cancer, Leo, Virgo, Libra
The way you treat your boy I'd do anything for ya
Sagittarius, Scorpio, Capricorn, Aquarius
See I ain't gonna front, it is all of ya'll I really love
I love you, I love you, I love you, I love you
These are the Zodiac signs that I wanna make love to
The Zodiac signs that I wanna get next to
See I ain't trippin' when it come down to these girls
We are the world, we are the world
These are the Zodiac signs that I wanna take shopping
The Zodiac signs that I wanna take club-hoppin'
See I ain't trippin' when it come down to these girls
We are the world, we are the world
