## His Name Is Alive

First points pledge creation part  
Last goes to the human heart  
In a sing song you once said  
In a box below your bed  
They are gone as I will be  
Forced into a memory  
Meet you by the water  
Promise not to drown you  
Dreamed of you for hours  
Dreamed of you for hours  
Will we feel this way tomorrow  
Meet you by the water  
You look those things now look for me  
You look those things  
In a scene so new once said  
Now look for me  
In a box below your bed  
You look those things  
They are gone as I will be  
Now look for me  
Forced into a memory  
  
World turns for reasons  
You are drawn to me  
Our days begin as hours  
But soon set into the cycles

First points pledge creation part  
Last goes to the human heart  
First points pledge creation part  
Last goes to the human heart
