

# Alone (Featuring MGK)

## Sleeping with Sirens

[Kellin]

Woah x 2 Could you check my pulse for me  
To see if I'm alive  
Cuz every time that I am near you  
Is the only time I feel alright  
If there were any way  
I could think to turn back time  
I'd stay here with you  
Sometimes I sit and wonder  
Sometimes I feel like letting go  
All I know is no one should have to be alone I don't want to be alone  
I don't want to die alone  
I could fall apart here and now  
I don't want to die alone I want to be with you, you, you  
I only want to be with you, you, you Tell me what's the point of life  
Is it material?  
Had everything I could ever want and probably more  
When I lay in bed at night  
All I do is think of you  
So when all this is gone what do I have to come home to?  
This life goes by so fast  
Pretty soon I'll grow old  
What would I have but some stories now that I have told  
No one to share them with  
And when it's all done  
What am I left with?  
Tell me what's left I don't want to be alone  
I don't want to die alone  
I could fall apart here and now  
I don't want to die alone  
(Kellin: "MGK!") [MGK]  
Leave me?  
How the f\*\*\* you gonna leave me?  
When I'm the one that's on TV  
With these girls screaming  
Outside with my CD  
And I'm begging?  
Naw baby, you're the one that can't keep me Leave me?  
Girl how the f\*\*\* you gonna leave me?

Hah  
You know I love you, when we fight and we argue  
I kiss and I hug you  
You push me back, you say that I'm trouble  
But every Bonnie got a Clyde with her Every woman needs somebody that's gonna ride with her  
Yea  
And I can't go on staying alive if I'm alone  
Pick up the phone and say hello  
I'd rather die with her Now my night's so cold  
When your heart is frozen  
Mine's exposed you know this  
Try to blame the fame for the way I've changed  
And you know those claims are bogus  
Baby it's not me, it's us  
Maybe now all we need is trust  
Maybe this Hennessy will solve our problems  
Baby pick it up [Kellin]  
I don't want to be alone  
I don't want to die alone  
I could fall apart here and now  
I don't want to die alone x 2 Could you check my pulse for me  
To see if I'm alive
