

Woman

Three Dog Night

Carry me away
I know your angel eyes can see through me
Carry me away
Far from the love you give so generously
So generously Woman, woman, I got a burning heart
I need to call and tell you that's its you that I love
I've got a burning heart
I need to tell you that's its you that I love I've got a burning heart
I need to tell you that I'll never get enough, yeah
Never, never, never, never, never, never
Never get enough woman Woman, I know you understand
The way that I feel, feel can't you hear me?
I'm a callin' your name
I want to make love to you Lord, oh Lord, I want to hold you so much
Let me feel all about ya
Woman and I got a woman
Let me make love to you Woman I love ya
Woman oh no, no, no, no
Woman oh, no
Woman
(Carry me away, carry me away)
Woman, carry me away
