

# Blame It On September

## Allstar Weekend

I can still see you standing there  
Summer tangled in your hair

First week of july  
First day of my life  
My voice shook when I said hello  
And from that word we couldn't take it slow

I still can't believe  
The way you looked at me

Now the nights turn colder  
Your head's on my shoulder  
We do our best to pretend

Waves get louder  
I'm lost without her  
This summer starts to end

Lets blame it on September  
Cuz it hurts to remember

We can fight to hold on  
But august is gone  
And even if the sun falls  
I hope we don't lose it all  
Cause no summer lasts forever

Lets blame it on September

We drew hearts there, in the sand  
Laughed when waves erased our plans  
Though we never knew  
That they told the truth

I can still hear our laughing friends  
As we sneak off again and again  
No we never cared  
Too young to be scared

The nights turn colder  
Your hand's on my shoulder  
As summer starts to end

Lets blame it on September  
Cause it hurts to remember

We can fight to hold on  
But august is gone  
Even if the sun falls  
I hope we don't lose it all  
Cause no summer lasts forever

No

On the beach in the heat  
Ya know I need that sweet ocean air  
I'm gunna go where I know we can be alone  
Wait for you wait for you  
There

Blame it on September

We can try to hold on  
But August is gone

Blame it on September  
Cause it hurts to remember  
We can fight to hold on  
But August is gone

When the sun falls  
I hope we don't lose it all  
Cause no summer lasts forever

Lets blame it on September  
Blame it on September

I can still see you standing there  
Summer tangled in your hair
