

Gonna Build a Mountain

Sammy Davis, Jr.

Gonna build a mountain from a little hill.
Gonna build me a mountain, least I hope I will.
Gonna build a mountain, gonna build it high.
I don't know how I'm gonna do it, I only know I'm gonna try. Gonna build a daydream from a little hope.
Gonna push that day dream, up that mmountain slope.
Gonna build a daydream, gonna see it through.
Gonna build a mountain and a daydream. gonna make them both come true. Gonna build a Heaven, from al little Hell.
Gonna build me a Heaven, and I know darn well.
If I build my mountain with a lot of care,
I'll take my daydream up the mpountain, and Heaven will be waiting there. When I build my mountain, as I will some day.
And the Lord sends Gabriel to take me away.
Want a fine yound son, to take my place.
I'll leave my son in my Heaven on Earth, with the good Lord's grace. With a fine young son, to take my place.
I'll have my son in my Heaven on earth, with the good Lord's grace, Gonna build me a mountain.
