

# Wayward Child

Rory Gallagher

Well you always were a problem  
Always running wild  
Trouble is your middle name  
You know you're the wayward child You always get your feet wet  
You always play with knives  
Watch that you don't cut yourself  
You know you're the wayward child They call you the wayward child  
Well you've always gone your own way  
Sometimes you play with fire  
Well can you run forever Before you run right out of time  
Will you run right out of time  
Nothing's gonna change you  
It ain't no use Well who is gonna tame you  
Tie you in a noose  
Well no one's gonna change ya  
Ain't no use And no one's gonna tame you  
Tie you in a noose  
Well you always were a problem  
Never meek and mild Life is just a street fight  
Well you know you're the wayward child  
You always get your feet wet  
You always play with knives Watch that you don't cut yourself
