

# I Hurt

Brooke Hyland

I keep moving, Going through the motions  
Step by step, Doing what I'm told  
The light's are on me, everybody's watching  
But nobody knows who I am

'Cause I hurt, Yeah I hurt  
All over my body  
I dance, I just dance to get through  
Yeah I hurt, Yeah it hurts  
All over my body  
What hurts most, waiting for you  
Waiting for you

(Waiting for you)

I've been thinkin', What's the point of trying?  
Everyday, Always ends the same  
On a stage, blinded by the darkness-  
And I might not see you again...

'Cause I hurt, Yeah I hurt  
All over my body  
I dance, I just dance to get through  
Yeah I hurt, Yeah it hurts  
All over my body  
What hurts most, waiting for you  
Waiting for you

(Waiting for you)

I just keep dancing on  
Dancing to different songs  
I just keep moving on  
Even when you have gone

'Cause I hurt, Yeah I hurt  
All over my body  
I dance, I just dance to get through  
Yeah I hurt, Yeah it hurts  
All over my body

What hurts most, waiting for you  
Waiting for you

(Waiting for you)

(I'm waiting for you)

(Just waiting for you [x2])
