When you peel back my eyes  
I see the pain and feel alive  
My hatred heaps upon this fire  
That burns inside and you blow higher  
But I don't need you anymore  
You cannot hurt me anymore Keep it away from the fire unless you want it to burn  
It burns, wildfire  
Give it to me!  
Your wildfire, don't take it from me!  
Wildfire, give it! And when you take me in your mind  
Into this dirty sodden shrine  
I do not need you anymore  
You cannot hurt me anymore Keep it away from the fire unless you want it to burn  
It burns, wildfire  
Give it to me!  
Your wildfire, don't take it from me!  
Wildfire, give it to me!  
Set on fire, don't take it from me!  
Your wildfire, take it! And when you peel back my eyes  
I see the pain and feel alive  
My hatred heaps upon this fire  
That burns inside and you blow higher Keep it away from the fire unless you want it to burn  
It burns, wildfire  
Give it to me!  
Your wildfire, don't take it from me!  
Wildfire, give it to me!  
It burns, wildfire, don't take it from me!  
Wildfire, give it!  
Wildfire, give it to me!  
Your wildfire, don't take it from me!  
Wildfire, give it to me!  
Your wildfire, don't take it from me!  
You caught on fire  
On fire On fire, I do not need you anymore  
Fire, you cannot hurt me anymore  
Fire, give it, give it to me!  
On fire, I do not need you anymore  
Fire, you cannot hurt me anymore  
Fire, I do not need you anymore

Fire, you cannot hurt me anymore  
Fire, you cannot hurt me
