Light Me Up

The Pretty Reckless

Does what I'm wearing seem to shock you
Well that's okay
'Cause what I'm thinking about you Is not okay
I've got it on my mind to change my ways
But I don't think I can be anything other than me
No I don't think I can be anything other than me

Do you have a light
Can you make me feel alright
There's plenty of white to go around
Do you think its right
When you hit me to the ground
Then light me up when I'm down

Does what I'm saying seem to haunt you
Well that's okay
'Cause what I'm saying about you is not okay
I've got it on my mind to change my ways
But I don't think I can be anything other than me
No I don't think I can be anything other than me

Do you have a light
Can you make me feel alright
There's plenty of white to go around
Do you think its right
When you hit me to the ground well
Then light me up when I'm down

Does what I'm taking seem to bother you
Well that's okay
'Cause I can take it all without you
And I'm okay
I've got it on my mind to change my ways
But I don't think I can be anything other than me
No I don't think I can be anything other than me

Do you have a light
Can you make me feel alright
There's plenty of white to go around
Do you think its right

When you hit me to the ground well
Then light me up when I'm down
