I Don't Mind

Twerps

I don't mind if you stay
I don't mind if you go
I don't mind if we have to give it all away
It doesn't matter

Let's give it another shot
Let's try another way
Let's put the puzzle back together our way
It's yours and mine

Let's waste away
Let's save the day
Let's try to do it on our own

I don't mind
It's yours and mine
I don't mind
It's yours and mine
I don't mind

I don't mind if you go
I don't mind if you stay
I just want you to know
It's yours and mine
It's our time

Let's give it up
Let's throw it away
Let's remember all that we had
In our time
It was yours and mine

I don't mind if we wait
I don't mind if you stay
I don't mind
It's yours and mine
It's our time
From now on
I don't mind
I don't mind

I don't mind
Tell me I'm the one
