

Follow the Sun (Album Version)

The Anniversary

And we all follow the sun, come everyone, follow the sun

And we all follow the sun, come everyone, follow the sun And we all follow the sun, come everyone, follow the sun And we all follow the sun, come everyone, follow the sun And we all follow the sun, come everyone, follow the sun And we all follow the sun, come everyone, follow the sun And we all follow the sun, come everyone, follow the sun

And we all follow the sun, come everyone, follow the sun And we all follow the sun, come everyone, follow the sun And we all follow the sun, come everyone, follow the sun And we all follow the sun, come everyone, follow the sun
