If It Bleeds, We Can Kill It

Austrian Death Machine

Raaar!

If it bleeds, we can kill it

If it bleeds, we can kill it

You're one ugly mother and that's why I'm talking trash
I've seen you bleed and now I know that I can kick your... ahhhh
I'm going to take you down
I'm going to take you down

You are the hunted, you run in fear

Must I remind you that I have killed your friends Must I remind you that your life is at it's end

> If it bleeds, we can kill it If it bleeds, we can kill it If it bleeds, we can kill it If it bleeds, we can kill it

I'm going to take you down I'm going to take you down

I've seen you bleed and that makes you just like me
The only difference between us is
You're the one who's going to die

This is my planet now
I'm hear to hunt your kind
This is a game to me
You'll all be dead in time

Must I remind you that I have killed your friends Must I remind you that your life is at it's end

I once was the hunted, but now your time is through The tides have turned, and now I'm hunting you

> If it bleeds, we can kill it If it bleeds, we can kill it If it bleeds, we can kill it

If it bleeds, we can kill it
