

Pictures In The Dark

Mike Oldfield

Follow the light that glows
Through your bedroom window
Tonight, tonight, the fading twilight
There's a hollow deep in the woods
Where you know you're crazy
To go, to go, not even meant to know
There are pictures in the dark, I see all around
Voices calling underground
And I'm watching the stars since the world was found
One, two, three
Pictures in the dark, I see
Morpheus comes to me
Pictures in the dark, I see
Aurora sets you free
And in the deepest dark
You come to a maze in
The night, the night, the fading twilight
And you shiver the glistening path
Where you know you're crazy
To go, to go, not even meant to know
There are pictures in the dark, I see all around
Voices calling underground
And I'm watching the stars since the world was found
One, two, three, lost in my dreams
This night will never end
You can only fly in your dreams
Midnight will be your friend
Drift away on starlight beams
Clocks are ticking the night away
You can only fly until dawn ascends
Pictures in the dark, I see
Morpheus comes to me
Pictures in the dark, I see
Aurora sets you free
The moon shines starlight beams
And you'll be flying in your dreams
Pictures in the dark, I see
Morpheus comes to me
Pictures in the dark, I see

Aurora sets you free
The moon shines starlight beams
And you'll be flying in your dreams
Pictures in the dark, I see
Morpheus comes to me
Pictures in the dark, I see
Aurora sets you free
