I Fought the Law (Live-Helsinki)

Stray Cats

Breaking rocks in the hot sun
I fought the law and the law won
I fought the law and the law won
Well I needed money 'cause I had noneI fought the law and the law won
I fought the law and the law won
Well I miss my baby and I feel so bad
I guess my race is runShe's the best friend I ever had
I fought the law and the law won
I fought the law and the law won
Well I'm robbin' people with a six gunI fought the law and the law won
I fought the law and the law won
Well I miss my baby and the good fun
I fought the law and the law wonI fought the law and the law won
Well I miss my baby and I feel so bad
I guess my race is run
She's the best friend I ever hadI fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law wonI fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
