Darq E Freaker

You don't ask much now
You don't ask much of me, now
You don't belong here
But you'll never leave, now Don't ask me, please, not anyone
Just let me be
I tried to be like anyone
When I'm alone with me You took the long way
You took the long way home, again
Now, you sleep late
Now, you sleep alone with them Don't ask me, please, not anyone
Just let me be
I tried to bleed like anyone
When I'm alone with me Wouldn't it be sweet
To let a good thing die?
Make my life complete
Make me wonder why Don't ask me, please, not anyone
Just let me be
I tried to bleed like anyone
When I'm alone with me
