Country Girl

Nazareth

You are a girl from the country
Your eyes remind me of the sun
You came to visit in the city
And won the hearts of everyoneYou are a girl from the country
Your hair is colored like the corn
I have never been outside the city
I am no friend to anyoneCountry girl, won't you stay a while?
Won't you stay a while with me?
Country girl, won't you stay a while?
Let me see you smile for meYou are a girl from the country
Before you came I was alone
Please say you'll take me to the country
And let me share your country homeCountry girl, won't you stay a while?
Won't you stay a while with me?
Country girl, won't you stay a while?
Let me see you smile for meCountry girl, won't you stay a while?
Won't you stay a while with me?
Country girl, won't you stay a while?
Let me see you smile for me
