If I Didn't Know Any Better

Alison Krauss & Union Station

I turned around
Before I could run
I found you already settled down
In the back of my mind
I know this is just a customary fever
The moon is our deceiver
That will leave you running blindYour heart is pullin'
If I didn't know any better
I'd be fallin deeper and deeper it's true
I'd hear it callin'
If I didn't know any better
And I'd be in love with you
Didn't want to
The look in the eyes of the one that
I would be drawn too
I'm a moth lost in a fire
And I know this
Is just a beautiful illusion
A case of the confusion
Between love and desireYour heart is pullin'
If I didn't know any better
I'd be fallin deeper and deeper it's true
I'd hear it callin'
If I didn't know any betterAnd I'd be in love
When the flame burns out
If finally settles down
And you forget
I ever came around
Your heart is pullin'
If I didn't know any better
I'd be fallin deeper and deeper it's true
I'd hear it callin'
If I didn't know any better
And I'd be in love with youI turned around
Before I could run
I found you already settled down
In the back of my mind
