

Running Wild (The Sopranos)

Tindersticks

Running wild through my mind that I can't sleep tonight
Running wild through my mind that I can't sleep tonight Like a child, like a child I have no place to hide
Running wild, is there no ending for the -Running wild through my mind that I can't sleep tonight
And all the while when I can't sleep tonight, I can see you
Running wild through my mind that I can't sleep tonight
And all the while while I can't sleep tonight, I can see you Running wild, running wild
Running wild, running wild The underside, the underside of my mind
There's a cry that I can't even reach out
There's a fire, do you feel that too? Running wild through my mind that I can't sleep tonight
And all the while while I can't sleep tonight, I can see you Running wild, running wild
Running wild, running wild
