

# A House With Love In It

Nat "King" Cole

A house with love in it is rich indeed  
although there are a thousand things that house may need  
The carpet may be old, the room so plain and bare  
and yet it's beautiful somehow when love is living there  
A house with love in it just seems to bloom  
as though the month of may were filling every room  
So darling true the years with all my heart I'll pray  
a house with love in it is where we'll stay
