Pigs In Zen

JaneÂ’s Addiction

Get up yeah, yeah, yeahPig is in the mud, when he tires
Pig's in Zen, pig's in Zen
Pig in nude, unashamed
Pig's in Zen, a pig's in ZenI'm talkin' bout the pig, the pig
The pig, uh, pa-pa-pa-pa-pig, oh, yeah
The goddamn pig, let's goPig mounts sow when he's wound
Pig's in Zen, pig's in Zen
Pig eats shit only when he hungers
Pig's in Zen, I know the pig's in ZenI'm talkin' bout the pig, the pig
The pig, uh, pa-pa-pa-pa-pig, oh, yeah
The goddamn pig, let's goI say
Blow away
Take off
DamnYes, so roses are red I made up the rest
If you got some big fucking secret
Then why don't you sing me somethin'I've really messed up the trauma
Leave a message, I'll call you back
Leave it by the bedSome people should die
That's just unconscious knowledge
Because, because the bigger you get
The wider you spreadYou gotta depend on me
Now your vision is dead
The more your dream is deadVision's, take yourself from my eyes
Like an eagle's claw me, me, me, ma-ma-ma-ma-me
