## Psy'aviah

Timor, Timor, Yale, Yale  
East Timor, Timor  
Timor, Timor, Timor, Timor  
Going on and on and on and on  
This is going on and on and on and on, now  
Said it once and say it twice  
I want to save your time, safety, safety  
It's alright, it's alright  
'Cause the system never fails  
The good guys are in power  
And the bad guys are in jail  
It's alright, it's alright  
Just as long as we can vote  
We live in democracy  
And that's what we promote  
Isn't it? Isn't it? Ooh  
Isn't it? isn't it? Ooh  
It's alright, it's alright  
At least there's half the truth  
Hearing what we want's  
The secret of eternal youth  
It's alright, it's alright  
The planet's split in three  
'Cause, I'll keep on selling records  
And you've got your MTV  
If we forget about 'em, don't worry  
If they forget about us, then hurry  
How about the people  
Who don't matter anymore?  
East Timor, Timor, Timor, ooh  
Ah, ah, ah, ah  
Ah, ah, ah, ah  
  
It's alright, it's alright  
We'll show all on TV  
So we won't really know it  
Just by watching NBC  
It's alright, it's alright  
For a flag we die or kill

As long as we don't know it  
Do it just to pay the bills  
If we forget about 'em, don't worry  
If they forget about us, then hurry  
How about the people  
Who don't matter anymore?  
If we forget about 'em, don't worry  
If they forget about us, then hurry  
How about the people  
Who don't matter anymore?  
East Timor, Timor, Timor  
Let's keep telling world it's sunny  
The risk of hides to make them bother  
Now don't you find that funny?  
If we forget about 'em  
If they forget about us, then hurry  
How about those people  
Who don't matter anymore?  
If we forget about 'em, don't worry  
If they forget about us, then hurry  
How about the people  
Who don't matter anymore?  
East Timor, Timor, Timor  
East Timor, Timor, Timor  
East Timor
