Riot In My Heart

Feine Sahne Fischfilet

I live three days to your one
The world won't owe me a thing
By the time I'm gone
Whoa, well now
Yeah Yeah

Baby don't you know
There's a riot going on in my heart
Now baby in my heart
Baby don't you know
There's a riot going on in my heart
Baby in my heart
I said don't you know
It's tearing me apart

Just put yourself in my shoes
Let me know if the world
Looks the same to you
Whoa, well now
Yeah Yeah
