Live As If Someone Is Always Watching You

Smog

Live as if someone is always watching you
In all you do
Live as if someone
Is always watching youEventually you will find
That both of you will need to come to some compromise
Maybe one or the other could agree
To sleep at different times
Or go off alone
Or at least shut their eyeShut your eye off once in a while
Shut your eye off once in a whileSo at least one of us
Can with some conviction say :
