

Nobody's Lonesome for Me

Connie Stevens

Everybody's lonesome for somebody else

But nobody's lonesome for me

Everybody's thinkin' of somebody else

Nobody thinks about me

When the time rolls around

for me to lay down and die

I guess I'll have to go and hire me

someone to cry

Everybody's lonesome for somebody else

Nobody is lonesome for me

Everybody's longing for somebody else

But nobody's longing for me

Everybody's dreamin' about somebody else

Nobody dreams about me

Now I ain't had a kiss since I fell out of my crib

I think that I've been cheated out of my rib

Everybody's lonesome for somebody else

Nobody's lonesome for me
