

# Lazy

## Richard Shindell

Lazy, I get so lazy  
When I'm with you  
I just want to stay there  
Doing something  
Approaching nothing

I think I had an appointment  
Something important  
But I can't remember  
I know I should care  
But I'm just too lazy

I'd rather spend the afternoon  
Just lying here with you  
That's all I want to do  
Since I met you

Monday - I should be working  
I call in lazy  
I can't make excuses  
No one believes me  
They know the truth is  
That I'm just

Lazy - it's unamerican  
I should be fighting  
For my promotion  
I would feel guilty  
But I'm too lazy

I'd rather spend the afternoon  
Just making love to you  
That's all I want to do  
Since I met you
